Shallow

From "A Star Is Born" soundtrack

Lady Gaga & Bradley Cooper

Tell me something girl
Are you happy in this modern world?
Or do you need more?
Is there somethin' else you're searching for?

I'm falling
In all the good times I find myself longing for change
And in the bad times I fear myself

Tell me something boy
Aren't you tired trying to fill that void?
Or do you need more?
Ain't it hard keeping it so hardcore?

I'm falling
In all the good times I find myself longing for change
And in the bad times I fear myself

I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now

In the shallow, shallow
In the shallow, shallow
In the shallow, shallow
We're far from the shallow now

I'm off the deep end, watch as I dive in
I'll never meet the ground
Crash through the surface, where they can't hurt us
We're far from the shallow now

In the shallow, shallow
In the shallow, shallow
In the shallow, shallow
We're far from the shallow now!
